Re: MUR 7622 Request for Extension to Respond

Dear Mr. Jordan :

On behalf of this firm's clients, Judson Sapp, Judson Sapp for Congress, and Nancy Watkins, in her official capacity as treasurer, I hereby request an extension of time to respond to the notification from the Federal Election Commission that the complaint designated as matter MUR 7622 has been filed against them. My clients received the complaint on July 24, 2019, and the attached Statement of Designation of Counsel has been executed. Currently, a response must be submitted by August 10, 2019.

Due to our firm having been recently retained in regards to this matter, I respectfully request an extension of thirty (30) days, or no later than the close of business on September 9, 2019, to provide a written response to the complaint. The extension of time will allow us to fully review and make sense of the allegations raised and documents attached to the complaint. An extension will also enable us to collect the necessary information to provide the Commission with a thorough and complete response. Thank you for your consideration of this request.

Sincerely,

A handwritten signature in cursive script, appearing to read "Benjamin J. Gibson".
